Chief Commissioner's Review on the Report of Municipal administration of the Nagar Division for 1875-76

The number of the Municipalities remained unchanged during the year.

2. The constitution of the Committees in all the Municipalities except Honnale and Nyamty, where there were no Committees, was as below:-

Years.	Officials.	Non-Official
1874-75.	31	84
1875-76.	32	87.

3 The Chief Commissioner is glad to be that Small Conservancy establishments are maintained exclusively by voluntary contributions in places other than those accounted as Municipalities, and observes that Amildars can stir up much local Enthusiasm, regarding Sanitary matters in large villages to which the Dy. Comms can but seldom give personally much attention, and that a great deal can be done by judicious management on the part of the Amils in the way of overcoming

the

X Effort made to awaken Public Opinion to the Advantage & Necessity of maintaining Small Conservancy Establishments & to Establish Committees where Municipal Committees have not been constituted, are now working.

a falling off under this head in the Chitaldroog district, slight fluctuations in the Shimoga district, and an increase in the Kadur district, as compared with the previous year.

7 With regard to the proposal of the Chitaldroog Municipal Committee that oil seeds should be subjected to the payment of octroi duty, it is observed that by the Chief Commissioner's Order No: $\frac{5509}{R\,92}$ of 29th October 1874, the imposition of the tax on oil-seeds is prohibited, as the oil extracted is subject to the payment of an octroi duty.

8. The highest rate of octroi duty per head of population was ~~Rs~~ 0-13-4 in the town of Chickmagalur, whose population numbered 6091 Souls. The lowest was in the town of Banavar in the Kadur District whose octroi income was ~~Rs~~ 27, and the population 2170 ~~Souls~~.

House Tax. 9 House-tax forms the chief source of income in the Chitaldroog District, the

the habit of looking to the Government to do every thing.

4. The Receipts of the Various Municipalities during the past year, classed under the various heads were as follow:- Receipts.

Heads	Rs
1 Octroi	16,058.
2. House Tax.	12,160.
3 Mohturfa.	10,145.
4. Miscellaneous	4,709
Total	69,009.

5 The total cash balance at the credit of all the Municipalities, as computed in the Dy Accountant General, in his return of accounts for 1875-76, was Rs 25,735. The aggregate balance entered in the Commissioners' Reports is Rs 26191 The difference, viz Rs 456, requires explanation Octroi.

6. The right for the Collection of Octroi was, during the year, leased out in almost all the Municipalities of the Nadur and the Chitaldrug districts, but not in those of Shimoga. The rent

falling off under this head in the Chitaldroog district, slight fluctuations in the Shimoga district, and an increase in the Kadur district, as compared with the previous year.

7 With regard to the proposal of the Chitaldroog Municipal Committee that oil seeds should be subjected to the payment of octroi duty, it is observed that by the Chief Commissioners' Order No. $\frac{5509}{R.92}$ of 29th October 1874, the imposition of the tax on oil-seeds is prohibited, as the oil extracted is subject to the payment of an octroi duty.

8. The highest rate of octroi duty per head of population was Rs 0-13-4 in the town of Chickmagalur, whose population numbered 6091 Souls. The lowest was in the town of Banavar in the Kadur district whose octroi income was Rs 27, and the population 2170 Souls.

House Tax. 9. House-tax forms the chief source of income in the Chitaldroog district, the

Rate?

rate in the town of Chitaldroog being one anna upon the valuation of the houses. The decrease under this head in the Shemoga District was owing to the out-standing balances remaining uncollected at the close of the year. In the Kadur District, there was an increase of Rs 1154 over the receipts of last year, due chiefly to the re-registration and classification of the houses at Tarikere, Berur, and Kadur.

10 A decrease under this head is observable in Shimoga owing to balances having remained due at the close of the year. — Miscellaneous.

11 The receipts under the head of "Miscellaneous" included the sum of Rs 623-7-9 recovered as contribution from the inhabitants of Nyamty for the improvement of the Nyamty Chik keri tank.

12. The total Expenditure during — Expenditure

during the year comprised Rs 39,770 against Rs 47,870 in 1874-75 as distributed below.

Head	Amount
1. Head Office	1799
2. Collection	1529
3. Conservancy	13414
4. Police	5164
5. Lighting	337
6. Public Works	11017
7. Education	2476
8. Miscellaneous	4034
Total	39,770

Head Office 13. The charges on account of Head Office in the Chikmagalur Municipality have been pared down as Rs 294 in the Appendix B. for that Municipality submitted by the Commissioner, and as Rs 330 in the Return furnished by the Dy. Accountant General. Although this does not affect the total expenditure in the Municipality which amounted to Rs 8313, yet the discrepancy requires explanation.

Conservancy. 14. Under the head "Conservancy" Rs 440 and Rs 551 were expended in the Municipalities of Honnali and Nyamty of the Shimoga District, against a Budget provision

provision of Rs 420 and 576 respectively. The excess Expenditure is not accounted for.

15. The increase over the previous year in the Kadur Destrict under the head of Police Charges was due to the Expenditure during 1875-76 being for the full Year and that during 1874-75 for a portion of the Year.

Police.	Expenditure 1875-76	1874-75
Shimoga Destrict	2908	2965
Kadur —do—	1134	823.
Chitaldroog —	1122	749.
	5164	3037.

16. The marginally noted were the principal works carried out during the Year.

Public Works	Amount
1. Jooma Musjid well at Shimoga	552-6-1.
2. Barr line Well —do—	358-7-6.
3. Riverside Road —do—	264-12-0.
4. New Road at Kamali —	194-2-10
5. Steps to the River at —do—	275-0-0.
6. Thirthally Cattle Pound	116-0-0
7 Torekeri Reservoir	181-0-1
8 Latrine at Chickmagalur	327-0-0
9 Filling up trench at Chitaldroog	200-0-0
10 Drains at —do—	1100-9-8.
11 Dust bosers —do—	94 8-0

17. The year under notice was marked by the out-break of Cholera in all the Districts of the Nagar Division. To arrest the spread of the Epidemic, every precautionary measure was adopted.

18. It is observed that the Statement B of Original Works undertaken during the year and

Form

From C of details expenditure have not accompanied the report under Review. It is hoped that the omission will be supplied in future.

Chief Commissioner's Review on the Report of the Bangalore Municipal Commission for the official year 1875-76.

Throughout the year under review the constitution of the Municipality remained much the same as in the year preceding, but that three vacancies caused by the death, retirement, &c., of the members remained unfilled till the close of the year

The necessity of modifying the existing rule, by which the selection for the appointment of Commissioners of a Division can only be made from persons residing within the limits of such Division has been urged owing to difficulties experienced in carrying it out It is said that in most instance

the able and
men residing in a
Division are busy busi
-ness men; and that
they cannot afford
to give very much time
to the affairs of the
Municipality.

The Chief Commissioner
however observes that
the post of a Municipal
Commissioner is hardly
unacceptable to the
resident gentry; and
that although to a certain
extent arduous, it will
be found quite com
patible with the perform
-ance of other duties
C. W. Saunders therefore
feels confident that
the President can try,
and with considerable
success, to induce them
to take an active interest
in Municipal affairs by
lightening their labor
as far as lies in his
power

The total receipts including the cash balance viz Rs. 5473-15-2 of the previous year, were Rs. 128,211-2-3 of which Rs. 41733-5-4 were derived from Octroi, Rs 32120-7-2 from House tax, Rs 23740-4 from licenses on arts, professions, trades and callings and the remainder, viz Rs. from grants-in-aid and miscellaneous items

The total excess of receipts over estimate was Rs. 1146-2-3, due almost entirely to the revision of house-valuations.

The average incidence per head of Octroi was 8as; of house Assessment including Municipal tax 6as, & of liquor license fee 4½ as.

The following are the heads under which expenditure was incurred:-

Head Office Collection	16726-3-10
Police	19098-7-7
Original Works Supervision	53081-13-4
Charitable Institutions	240-"
Conservancy	15598-2-10
Road-watering	1969-6-3
Lighting	8259-7-4
Nursery	82-"
Fairs Exhibitions	305-13-6
Miscellaneous	8900-0-2
Total Rs	1,24,263-6-"

The large expenditure on Establishment Collection viz nearly 13½ p/c seems open to objection, and does not at all bear comparison with the returns received from the Madras Presidency, where the ratio of expenditure on that head is about 8 p/c.

The Chief Commissioner considers that a considerable reduction in the cost of the Establishment can be

* These figures refer to the Rural Municipalities in the Madras Presidency

MYSORE GOVERNMENT

effected without sustaining any loss of efficiency and that, with the exercise of a rigorous and minute economy in every department, much larger sums might be expended on many important works of great public utility. For instance, compared with the requirements of the town in the matter of water-supply the work done during the year was but small. It is desirable and even necessary that a larger sum of money should be expended in connection with the extension & improvement of water supply works. Complaints of the scarcity of water have been and are very general, and will doubtless increase.

It is hoped that the opening up of the road

from Jowspollium to Obi Road will be a great convenience to the inhabitants of that quarter.

10395½ ft. of V shaped and 2033 ft. of Box Drains were cut during the year at a cost of Rs. 4,477-4-

Public wells were cleared of silt and six wells were constructed during the year.

Rs 1381-1-5 were expended on the construction of three lines of suitable vegetable stalls in the Market.

8 field latrines have been constructed entirely of stone slabs in various parts of the Cantonment.

An Ornamental lamp-post has been erected at the junction of St Marks with the Residency Road.

Besides these, many minor improvements

* It may be remarked here that some improvement must be effected in the attendance at the public latrines, and deodorants must be freely used.

were effected during the year under notice

The Chief Commissioner remarks on the importance of a larger percentage of the expenditure being devoted to Public Health and Convenience and Safety.

Cholera first made its appearance at Gundlupet in July, and completed its invasion of the Cantonment in September. Every precautionary measure suggested by the Medical Authorities was adopted to meet the advent of the epidemic and arrest its progress. Extra gangs of Scavengers were employed for the special cleaning of affected localities and Cholera sheds were erected & supplied with medicines.

× in the Mysore District.

The Draft Section for the General admn Report of 1875/76 has already been prepared and embodied in the Report. Vide page 31 of the printed Volume. This is intended as a departmental Review.

As the Presidents' reports for 1876-77 have been received I think they may be reviewed noticing one or two points in the report of 1875-76 - so that there might be one review on the reports of the past two years.

The Draft Section for the General Report for 1876-77 has not been prepared yet. This will be done as soon as the accounts are recd from the officers to whom a reminder was sent on 24th September.

4/10/77

Draft Review on the Report of the Cantonment Municipal Commission, Bangalore, for 1875-76

Has the Section of the Report for the Gen'l Admn Report been prepared? If not, when will it be done, & may the practical remedy? Is for as practicable in the Bangalore

See the Section in the Report for 1875-76.

Read.

Letter no: 239 dt 14th Septr: 1876, from the Commissioner Nandydroog Division, submitting the report on the working of the Municipalities in the Division for 1875-76.

Order thereon.

With reference to para 6 of his review on the Comm'rs General Administration Report for 1875-76, the Chief Commissioner observes that the total income of all the municipalities in the Nandydroog division for that year, inclusive of the previous year's cash balance as entered in the accounts received with the foregoing letter, was Rs 67,739 or Rs 343 less than that shown in the return submitted

by

by the Dy Accts General as particularized in the following table:-

Districts	Income as per the statement of		Balance as per the statement of		Gross income as per stt of		
	Commrs	Dy. Acct	Commrs	Dy. Accts General	Commrs	Dy Accts	
Bangalore district municipalities	8979-0-5	8979.	8061-0-10	8233	17040-1-3	17212	+171
Kolar district municipalities	11,333-5-8	11349	11519-2-0	11675	22852-7-8	23024	+171-8

204

No 32.

Kadur District
Dy Commissioner's Office
Chickmaglur 9 July 1876.

To

The Commissioner
Nagar Division

Sir,

I have the honor to submit the following report on the Administration of the Municipalities in this District for 1875-76.

2. The Taluk of Kadur having been amalgamated with Banavar, in connection with the Changes effected on the introduction of the Moonsiff's scheme, the two Municipalities at Kadur and Beeroor, which were in that Taluk, are now to be considered as in the Banavar Taluk. This is the only change that has taken place during the Year. The formation of a Municipality at Gadahully was advocated but sanction having been accorded in 1876-77 the Subject will find a place in the next report.

3. In the absence of an Amil at Kadur the Peshcar posted there was entrusted with the immediate supervision of the Kadur and Beeroor Municipalities

with

with the Banawar Amils as President but the Kadur Minister has since been nominated President and invested with the powers exercised by the Amils to punish breaches of Municipal Laws under Notification No 94 of 16th August 1869 the Paish Kar acting as the Vice President.

4 - The special attention of all Municipal Authorities was drawn during this Year in consequence of the out-break of cholera to the absolute necessity of carrying out with zeal and intelligence the rules laid down by Colonel Hay in Circular No 242 dated 25th July 1868, for enforcing Sanitary Arrangements in every town. The Police too were stirred up to exert themselves in this direction and from reports received and what I have observed myself I have reason to believe that due attention was paid to the subject:-

I Receipts.—5 The following table affords a comparision of the several items of Municipal Revenue between this and previous years from which it will be seen that

that there has been an improvement of Rs 2772-8-1 or 21 per cent; in the year under report, derived chiefly from taxes.

P.T.

Items	For 1874-75	For 1875-76	Compensation Increase	Compensation Decrease
Octroi	5193 3 7	6897 " 2	1703 12 7	" " "
House tax	2495 6 8	3650 8 4	1155 1 8	" " "
Sale of Stray Cattle	570 " 7	371 1 4	" " "	198 15 3
Fines for Cattle trespass	539 " 6	525 11 6	" " "	13 5 "
Interest on Octroi collections	98 15 8	98 10 11	" " "	" 4 9
Fines for Nuisance	67 1 "	23 4 "	" " "	43 13 "
Sale of Manure	25 3 "	358 13 6	333 10 6	" " "
Miscellaneous	46 15 2	8 1 6	" " "	38 13 8
Contribution from Ryots for a reservoir at Sankeree	500 " "	" " "	" " "	500 " "
Rohaturja House tax &c	3636 4 4	3762 7 4	126 3 "	" " "
By transfer from Deputy Accountant-Genl's Office	27 " "	54 " "	27 " "	" " "
School fees Chitkeingher	" " "	222 " "	222 " "	" " "
Totals	13199 2 6	15971 10 7	3567 11 9	795 3 8

6. The above items may be classified under the two Major Heads given below —

Particulars	1874.75			1875.76		
Income derived from direct taxation	11324	14	7	14309	15	10
Do from other Miscellaneous Sources	1874	3	11	1661	10	9
Total Rupees	13199	2	6	15971	10	7

47 The following table exhibits the incidence per head of all Items of taxation taken together, and the total population of each Municipality during the Year under report as contrasted with the preceding one, from which, it will be seen, that it has been far from oppressive in any place.

	Population	Octroi, Inhabitant House tax & Land tax together for 1874.75	Incidence per Head of Population	Octroi, Inhabitant House tax & Land tax together for 1875.76.	Incidence per Head of Population
Chittenglur	6091	8587 13 10	1 6 6	9874 10 1	1 9 11
Jarikere	5506	1118 8 5	" 3 3	1868 11 7	" 5 5
Kadur	2593	309 6 9	" 1 11	659 9 9	" 4 1
Beeroor	3345	985 " 4	" 4 8	1553 4 8	" 7 5
Banavara	2170	324 1 3	" 2 5	355 11 9	" 2 7
Total	19705	11324 14 7	- - -	14309 15 10	

8. Of the 2 items of Municipal taxation "Octroi"

Octroi and House tax the former realized Rupees 6897-1-2 against Rupees 5193-3-7 in the previous year or an increase of Rupees 1703-12-7 which is mainly owing to the levy of an ad valorem duty of 5 Percent on piece goods consumed in the Towns after the Sayer duty on this Article was abolished in the Revenue Department. But under recent instructions this imposit has been confined from 1st April 1876 to the Town of Chickmagloor. The increase is also partly due to better competition at the sale by public Auction of the right of Collecting Octroi by contract in all the Towns except Banavar. As mentioned in last year's report the particulars of the Collection from each of the 9 sources of taxation are not available as the right of collecting them had been rented out for a fixed sum. The rates are however the same as they were last year

The incidence of Octroi per Head of the population of each Town was as follows.

owns	Population.	Octroi 1875-76			Incidence per Head of Population		
Chickmaglur	6091	5104	1	2	"	13	4
Tarikere	5509	839	2	2	"	2	5
Beeroor	3345	745	"	"	"	3	6
Kadur	2593	182	3	4	"	1	1
Banavara	2170.	26	9	6	"	"	2

9 The highest rate was Rupees 11-13-4 per head in the Town of Chickmaglur which is the largest and most flourishing of the Municipalities and the Head Quarter of the District. The lowest was Rs 11-11-2 in Banavara a Town which has the smallest population if any in which a Municipality exists in this District.

10. The improvement of Rupees 1155-1-8 was mainly occasioned by a re-registration and classification of the houses in Tarikere Beeroor and Kadur the last Taharni having been effected in 1871.

11 The falling off of Rupees 198-15-3 under sale proceeds of stray cattle occurred solly in Banavar but being an item of

a fluctuating character it calls for no special remarks here.

12 The item of School fees Rupees 222, is an addition to the Municipal Revenue owing to the transfer of the School Establishment to the Municipality of Chilkunghur which has maintained the Institution from November 1874.

13 The increase under "Mohaturfa" of Rupees 126-3-11 is attributable to the same causes as those which have favorably affected the head "House Tax."

The other items of Revenue being of a fluctuating character call for no remarks except the decrease under "Interest" which is owing to payment of the instalments due on the Octroi contracts more punctually during the year under report than was the case last year.

II Expenditure. The total expenditure incurred by all the Municipalities amounted to Rupees 12080-1-11 in 1875-76 against Rupees 8190-11-10 in 1874-75.

MD

The increase apparent is chiefly due to the Educational and "Police Charges in the Town of Chikmagalur being met from Municipal Funds.

The surplus that has accrued during the past 3 Years, is exhibited below. The details thereof will be found recorded in Statement No II for each Municipality

1873-74			1874-75			1875-76		
3994	4	-	9003	5	8	12894	14	4

The following is an abstract of the total expenditure and the proportionate percentage of the same debitable to each head as contrasted with the result of the two previous Years.

Heads	1873-74 Amount		Percentage	1874-75 Amount		Percentage	1875-76 Amount		Percentage
Collection	391	13 2	3.96	470	12 -	5.76	468	5 6	3.88
Head Office	474	" "	4.80	535	- -	6.53	520	" -	4.30
Police	"	" "	" "	323	5 8	3.94	1133	9 -	9.38
Carried Over				1329	1 8		2121	14 6	

Heads.	1873-74 Amount			Percentage	1874-75 Amount			Percentage	1875-76. Amount			Percentage
Brought Over	-	-	-	- - -	1329	1	8	- - -	2121	14	6	
servancy	3188	13	5	32-30	3581	10	6	43-74	4157	7	11	34-43
Lighting	"	"	"	" " "	"	"	"	"	"	"	"	"
Total Establishment	-	-	-		4910	12	2	-	6279	6	5	- -
Watering	"	"	"	"	"	"	-	"	"	"	"	"
Road Works	3868	"	8	39-18	978	"	8	11-94	1149	3	5	22-64
Repairs	1580	11	1	16-03	1258	7	10	15-36	1565	"	"	
Lucation	"	"	"	"	519	"	"	6-33	2475	13	9	20-49
Miscellaneous	368	5	4	3-73	523	12	2	6-39	610	10	4	5-05
Total	"	"	"	" " "	8190	"	10	- - -	12080	1	11	

There has been no alteration in the Establishment maintained for "Collection" and the small decrease of Rupees 2. 6. 6 over last Year is owing to deduction on account of absence and fines; while the decrease of Rupees 15 under "head Office" Charges is only nominal being an Over payment made in 1874.75 which did not occur in the Year under report.

The Police Establishment of the Town of Chitcunglur having been transferred to the Municipality from November 1874 the rise in the Charges from Rs 323-5-

in 1874-75 to Rupees 1120-5-10

is owing to the Charge being only for 5 Months in the former Year and for 12 in the latter. The Strength of the Force Viz^t 15 Constables @ 6 Rupees each is the same as it was last Year. There is a net-increase of Rupees 575-13-5 under "Conservancy" occasioned by the Salaries of the present hands being raised as well as by the entertainment of additional hands to attend to Sanitary measures in the Towns: a step rendered imperative on account of the out-break of Cholera and the ravages the fear of that disease was making in them. The increased expenditure incurred by each Town will be found in the table given below and the particulars thereof are set forth in a foot-note.-

Towns	1874.75			1875.76			Increase			Decrease		
1. Chikmagher	1979	1	"	2245	"	"	265	15	"	"	"	"

Note 1 Owing to one Peregunty and an additional Baindy man on 6 Rupees each being entertained during the Year and to dearth of forage necessi= taking the Cost of feeding being raised from 7½ to 12 Rupees per pair per mensem, as also the no of pair of Bulls being raised from 2 to 3.

—do— 2. Owing to a Peon and 2 Sweepers on 5 Rupees each being newly entertained and the Salaries of the Sweepers raised by one Rupee per head.

—do— 3. Owing to deductions on account of absence and fines the Cost was less in Banawar this Year.

—do— 4. Owing to a Peon on 5 Rupees a Month being newly entertained for Kadur to Supervise the Conservancy Establishment and attending to the Cleanlines of the Town which was visited by a very sharp attack of Cholera.

—do— 5 Owing to a Peon on 5 Rupees a Month being newly entertained and the Salary of Sweepers raised by one Rupee each.

Original Works. ——— This head comprizes the following works undertaken during the Year—

Year under report: ———

Chickmagalur

1 Constructing Latrines Rupees ——— 327-.
2. Compensation for Houses. ——— 36-12-10.
3 Charges for Numbering houses & Streets ——— 150.
4 Planting in Cantonment ——— 200

Total Rupees-713-12-10

Tarikery — 1. Constructing a Reservoir ——— 181-11-1

——— 2 d°. Cattle pound ——— 152-

Total Rupees 333. 11 1

Kadur 1. Dismatling the old gate & erecting a new one 25-11-1
Beeroor 1. Erecting a Candy Stand & the Bulsa Honda — 77- 6-6

Total Rupees — 102. 6-6

Grand Total Rs 1149-3-5

Of the 2 Latrines Sanctioned at an Estimated Cost of Rupees 754 only one has been erected at an outlay of Rs 327. of having been resolved to put off the other until experience is gained as to how the plan of the building will answer the purpose.

A Sum of Rupees 150 was laid out in numbering houses and naming Streets in the Town of Chickmagalur This was legibly painted on wooden Boards prior to being affixed to the places for which they were intended.

The Construction of a Reservoir at Tarikere was completed early in the Year and the balance of the Cost Viz Rupees 181-11-1 disbursed; adding

adding to this Sum Rupees 107-9-4 incurred in previous years the total comes up to Rupees 1298-9-5. The work is a great boon to the people. a cattle pound was also erected at Tarikere at a cost of Rupees 152.

Repairs ——— The following comparative table shews at a glance the expenditure incurred and the extent to which Repairs have been effected to the Roads within the limits of the several Municipalities in this District during this and the Year previous.

Towns	1874-75 Amount			1875-76 Amount		
Chikmagalur	1109	3	0	800	0	0
Banavara	40	0	0	150	0	0
Kadur	0	0	0	140	0	0
Beeroor	0	0	0	225	0	0
Tarikere	109	4	10	250	0	0
Total	1258	7	10	1565	0	0

The Charge for Education (District School Chikmagalur) was transferred to the Municipality along

along with the Town Police as directed in the Chief Commissioner's proceedings No 6771/434 dated 14th December 1874. The expenditure under this head was Rupees 2475-13-9 against Rs 519. for 4 Months in 1874.75 or an increase of Rupees 1956-13-9. This increase was owing to the former Charge being for the entire year and also to the increase of Salaries of Teachers from June 1875 as shewn in the Margin.

Increase to 1st Asstt. Master	10-0
2 Extra Masters	35
2 & 3 at 20-0-15 Rupees each respectively	
1 Pupil Teacher	5-0
Total Rs	50-0-

The School continues to be popular and is well attended. For further particulars I beg to refer to paras 213 to 220 "Education" in the Revenue Administration Report of the District No 105 dated 27th May 1876.

The State of the Municipalities of the District, in a pecuniary point of view does not admit of Charges, for such institutions as "Dispensaries" "Vaccination" &c, being incurred.

Miscellaneous Charges.——This Head comprizes the following items 1st Feeding

of

Bullocks 2nd Compensation paid for houses removed.

3rd Refunds to parties of the Sale proceeds of Stray Cattle on adducing proofs of ownership.-

4th Rewards for Killing Snakes While the payment of 4 percent on the Octroi collections to the Sayer Servants has been discontinued Since that item was farmed out to a Contractor.

The annual accounts are herewith Submitted in the forms supplied as per list attached to this Report.-

I have the honor to be

Sir,

Your Most Obedient Servant

Nagar Asst Comm^r's Office
Shimoga 11 th July 1876.

To

The Secretary to the Chief Comm^r
of Mysore
General Department

Sir,

With reference to the Chief Comm^r's Proceedings No 8092 dated 27th January last, I have the honor to submit the following further information regarding the administration of Municipalities in the Division -

2- In the Shimoga District, an attempt was made to form a Municipality at Siralkoppa, but the measure met with opposition from the inhabitants I have refrained from recommending the introduction of Municipal Rules in any town unless the co-operation of the "intelligent minority" can be secured - Even they however require much educating which should be judiciously done by the local Officers of Government - Small Conservancy Establishments are maintained at some towns in the Chitaldroog District though they are not accounted for as Municipalities - Further information

has been called for from the Deputy Comm^r on the Subject -

3. With regard to the proposal of the Chetaldroog Municipal Board to tax oil seeds, I beg to state that it appears from the records that acting under the Spirit of the Chief Comm^r's Proceedings No $\frac{5509}{92}$ dated 29^th October 1874 Major General Clerk then Comm^r of the Division, directed the proposal to be held in abeyance - The Board revoked the question again and the Proceedings above mentioned were communicated to them in reply -

4 The authority for levying Octroi on Piece goods at Sankere at 2½ per cent ad valorem appears on reference to this office records, to be your letter No $\frac{2731}{36}$ dated 8^th August 1868 in reply to this office letters noted in the margin -

No $\frac{88}{4}$ dt 22^d May 1868
No $\frac{255}{44}$ dt 27^th July 1868

5- The amount shown in para 12 of the Proceedings as income under the head "Miscellaneous" is correct - See the report sent from this office the Miscellaneous expenditure was by mistake, shown as Miscellaneous income -

6. With regard to the repair of roads in Shimoga, there was some

misapprehension as to the amount spent on them - The Budget provision was Rs 2200 for Repair of Roads and Rs 300 for Repair of Buildings - In the Deputy Commrs report a lump sum of 213 Rs was shown as having been spent on Roads & Buildings together - Hence it was understood that no repairs were executed to roads.

7- The other figures alluded to in paras 16, 17 & 18 of the Proceedings are correctly shown in the returns of this office - The discrepancies are explained in the accompanying memorandum -

I have the honor to be

Pol: No 87

Nägar on Comm's office
Shimoga 15th September 1876

The Secretary to the Chief Comm.
of Mysore
General Department

I have the honor to submit
following report on the
administration of the Municipalities
in the Division for the year
1875-76.

2. The number of Municipalities did not undergo any change. Instructions have been issued for the formation of Boards at Honnali and Nanti - The Deputy Comm. Chitaldroog brought to notice the existence of small conservancy establishments in places other than those* accounted for as Municipalities, and maintained by funds contributed by the inhabitants. A more detailed account of them has been called for but not yet received - The

* Chitaldroog
Davengere
Harihar

Deputy Comm^r in his report observes that "the inhabitants (of Hirigur) having failed to support it, it was abolished"! It is understood by this that these petty establishments are all maintained from voluntary contributions -

3. The aggregate balance at the credit of the several Municipalities was Rs 26191-7-10. The receipts amounted to Rs 43270-15- and comprised the following heads -

Heads	1875 76			1874-75		
Octroi	16058	13	4	16066	6	10
House tax	12160	8	3	10598	14	4
Mohturfa	10144	6	2	71820	6	4
Miscellaneous	4907	3	3	7984	1	3
Total	43270	15	0	46469	12	9

4. Under the head octroi there was a falling off in Collections of Rs 505 against the realizations of the previous year and of Rs 376 against the Budgetted income from that head - The Deputy Comm^r attributes this to want of brisk competition, the Contractors alleging they have been losers by the contract - In all the towns

of the Kadur District there has been an excess over the Estimates under this head as shown below.

	Estimates	actuals
Chickmagalur	3500	5104
Tarikere	300	839
Kadur	80	182
Birur	300	745
Banavar	"	26

This has been owing to duty on piece goods at 5 per cent advalorem having been levied in all the Towns. The Chief Comm^{r} sanctioned its levy in the Town of Chickmagalur only, and under instructions sent from this office its levy in other places was stopped. The duty was levied also in the Town of Sirthally but with the sanction of the Chief Comm^{r}

5. Under the head Horse Tax the following towns show remarkable fluctuations.

Towns	actuals of 1874-75	Budget for 1875-76	actuals of 1875-76
Shimoga	1469 " "	2226 " "	1720 " "
Chennagiri	706 " "	650 " "	467 " "
Nanite	717 " "	600 " "	429 " "
Tarikere	588 " "	1003 " "	1029 " "
Kadur	229 " "	450 " "	477 " "
Birur	460 " "	798 " "	808 " "
Chitaldroog	1036 " "	1250 " "	1539 " "
Davengere	880 " "	915 " "	1022 " "

The

the falling off observed in Shimoga, Chennagiri & Nanikt when compared with the Budget Estimates is stated, to be owing to balances remaining uncollected at the close of the year. The increase in the other Towns except Davengere is the result of the revision effected. Proposals for revising the House tax of Davengere and Harihar are under consideration -

6. There was an increase under Inchaturfa in Chitaldroog and a falling off in Shimoga The latter is stated to be owing to balances remaining uncollected at the close of the year, Rs 3229 having been collected against Rs 5000 the Budget Estimates which is understood to represent the demand for the year -

7- The collections under Miscellaneous do not call for any remark except that the collections of 1874-75 included a loan of Rs 3500 granted to the Shimoga Municipality -

8- The Expenditure under all heads amounted to Rupees 39770-10-9 and was entirely within Budget limits.

21

It comprised the following heads -

Heads	1875-76			1874-75		
Original Works	5004	14	4	13576	3	4
Repairs	5954	9	5	6885	4	10
Collection Establishment	1528	15	9	1813	11	1
Head office charges	1763	5	7	1793	2	2
Police	5151	8	4	4037	15	7
Education	2475	13	9	519	-	-
Conservancy	13508	1	3	12108	12	11
Lighting	337	6	7	1150	3	1
Miscellaneous	4045	15	9	6014	8	1
Total	39770	10	9	47898	13	1

The Budget Estimates of Expenditure of Shimoga under the head Public Works was Rs 5114-6-1 including Rupees 552-6-1 spent on the Jumma Musjid wall which was completed - The actual Expenditure was Rs 3576-10-4 out of which Rs 1701-2-a was for repairs of Roads &c - The Chelkmagalur out of a Budget provision of Rs 1604 for original works Rs 677 only were spent, and in Chikaldroog Rs 2434-13-7 were spent against a Budget provision of Rs 3870 - The principal original works carried out were as follows.

		amount spent
1.	Jooma Musjid well at Shimoga	552-6-1
2.	Coombargoondi drain do-	136-1-8
3	Barr line well -do-	358-7-6
4.	River side road -Do-	264-12-"
5.	Rubbish pits ...Do-	198-"-"
6.	Covered drain -Do-	154-"-"
7.	New road at Hunnale -	194-2-11
8	Steps to the river at -Do-	275-"-"
9.	Sirthully cattle pound.	116-"-"
10	Jariakere Reservoir	181-"-1
11.	Do. cattle pound -	152-"-"
12	Latrine at Chickmaglur	327-"-"
13	Filling up the trench at Chitaldroog	200-"-"
14	Drains at - Do...	1100-9-8
15	Dust boxes at - Do ..	94-8-"

Out of these Nos 1-2-3 & 10 were works of previous years and completed or paid for during the year under review. Owing to paucity of funds at Shimoga the amount spent was small and the works undertaken petty - The "River Side Road project" was not a Sanctioned one - out of the Sum shown as spent on its account only a Small

Sum

spent, the remainder having been drawn and kept in deposit. The project has since been abandoned by the Board. The other works do not call for any remarks.

9. The expenditure shown under Repairs consisted principally of sums spent on the repairs of roads.

10. The falling off in under the head Establishment was in 2 where Rs 383-7-8 were spent against a Budget provision of Rs 396 and Rs 685-7-11 actually spent in the previous year. The Expenditure under Head office & Conservancy does not call for any remark. There was an increase under the heads Police and Education, the Expenditure shown in the accounts of 1874-75 being only for portions of that year, as already explained in that years report. Lighting cost only Rs 337-6-7 against Rs 1150 in 1874-75 which included the cost of lamp posts brought to Shimoga, and the expenditure under

Miscellaneous

Miscellaneous included Rs. 20.000 disbursed in liquidation of the loan granted to the Shimoga Municipality -

11 - Particulars of articles subject to octroi have not been furnished for the Municipalities of the Kadur District on account of the octroi having been farmed. Information of this kind has been furnished for the Chitaldrug District where a similar system prevails but the Deputy Comm^r states that the figures are not reliable. The fact appears to be that Contractors wishing to secure contracts for the smallest possible amount and to avoid competition make it appear that their contracts have been disadvantageous to them. Information obtained under the Contract system must therefore be received with caution -

12 - The incidence of taxation per head did not undergo any material change -

13 - The reports of the Deputy Comm^rs together with their

their appendices are herewith
forwarded in original -

I have the honor to be
Sir
Your most obed't Servant

Commissioner
Niagara Dist.

Encl.

Municipal Administration Report for 1875-1876.

1. The total income, including the previous year's balance, of the Municipalities, may be found from the subjoined Abstract.

Towns	Income of 1874-1875	Income of 1875-1876	Increase	Decrease
Chetaldroog	5638	7327	1689	"
Davengere	3548	4315	767	"
Harihur	2398	1667	"	731
Total	11584	13309	2456	731

2. The increase of 1,725 Rs is attributable to the revision of House Tax in Chetaldroog and the receipt of outstanding balances in this town as well as in Davengere.

3. The most important source of income is the House Tax, the collections under which for the year amounted to Rs 3208. This tax is levied in Chetaldroog at the rate of 1 per cent upon the valuation of the Houses, and

and realized Rs 1539 in the past year. But many complaints having been received against the existing valuation, a list was ordered to be prepared with the aid of a Panchayet composed of the leading members of the Community. The valuation given in the list will cause a loss of Rs 250. in the ensuing year, but the measure has given on the whole, satisfaction to the inhabitants. For Daman and Nanheur similar lists have been prepared and sent to the Commissioner with letter No. 97 of 22d March 1876. They will be brought into operation as soon as they are received sanctioned. The income from the tax was Rs 1022 for Daman and Rs 647 for Nanheur in the last year.

4. The next item of importance is the tax collected on Petroi. The aggregate amount has fallen short of previous year's figures by Rs 1,110 owing to the absence of brisk competition

competetion as in the previous year.

Statements D have been framed upon the Statements given by the Contractors as showing the actual amount realized by them. If these statements are correct, they show that the Contractors were not able to make good even the Contract amounts. But not much reliance is placed on these figures

The following table shows the amount of Contract and the amount stated to have been realized.

Towns	Contract amount	Realized Amount
Chutalroog	1210	726
Davengere	1200	1174
Harehur	400	304

6. It has been proposed in the proceedings of the Municipal Committee No. 1154/96 of 20th March 1876 of the Chutalroop Town, that oilseeds also should be subjected to the payment of Octroi duty. The matter is still pending before higher Authority.

7. The Examining Commission of Tindivanam which has been assigned to the Municipality by the Local Government in No 3153. The Deputy Commissioner has recommended the transfer of the income from this tax to the towns of Panruti and Cuddalore also. This will be very desirable boon, if sanctioned.

8. The Municipal Committee of Chitaldroog in their proceedings No 1154/96 of 20th March 1876, have recommended that 2 per cent ad valorem should be levied as Municipal duty upon all cloth brought within the Municipal limits, if they have not paid custom duty at the sea-Board. The Chief Commissioner's sanction is awaited.

9. Under the Head Miscellaneous No 1239 were collected.

10. Appendix B shows the total expenditure of the towns under the different heads, to have been No 8447.

11 The permanent conservancy establishment cost Rs 3,075, but owing to the prevalence of Cholera in the neighbourhood and latterly in the towns also, a temporary establishment was employed costing Rs 176.

Total charges under the head "Conservancy" Rs 3194

12. The following Abstract shows the various Original and Repair Works executed in the year.

No.	Towns	Name of the work.	Sanctioned Amount	Expended Amount
		Original		
1	Chittaldroog	Filling up the Trench	200	200 ✓
2	—— Do ——	Construction of Drains	1500	1100 ✓
3	—— Do ——	Do — of Dust Bins	300	95 ✓
		Repairs		
4	Chittaldroog	Roads	500	464 ✓
5	—— Do ——	Karungi Tunnels	300	59
6	—— Do ——	Kutchengi Hon	335	210
7	—— Do ——	Tuvinakurkure Tank		289
8	Davangere	Roads	300	297

All works which have not been completed within the year will be

provided on as fast as possible in current year.

13. The expenditure under the Head of Town Police in Chittagong was Rs 1122 on 1116.

14. The present permanent strength of the police being inadequate, 4 additional permanent Nos were employed about the end of March 1876. Our proceedings No 1154 of 20th March 1876 the Municipal Committee have also recommended their permanent employment. If this addition is sanctioned it will facilitate matters much. A proposal to entertain Town Police for Demerara and Hamilton before the Deputy Inspector General Police.

15. The police conservancy system was in force in all the Head Quarter stations of the districts, but in Penang the inhabitants having failed to support it, it was abolished there. It is now in force in all the Head Quarter Towns and also in Colombo and Galle but. The latter was added to

to the best in the last year under the orders of the Deputy-Commissioners, the inhabitants having agreed to pay a House tax for the purpose. N. A great deal of good and useful work has been carried out in the Town of Chittaloop during the past year. Drains are being systematically constructed so far as means are available but the Committee exceedingly regret that their operations are necessarily limited for want of sufficient funds. A great deal has yet to be done both in the way of drainage as also in the matters of conducting drinking water to different parts of the town. The present water ducts are not in very good order and a great deal of waste is yearly experienced, and it is the intention of the Committee, so soon as plans and estimates can be prepared, to submit proposals, and apply for a loan to carry out the measures they would propose. The Town is clean and

great pains & exertions
been used to keep
And the Committee believe the state
of this town will compare most-
favourably with other Towns.
N. Cholera visited the town recently
And active measures were at once
adopted to check the disease and
great success attended the efforts used.

Chelsea Town

President Pro. tem of Board
Chelsea Drainage and
Commissioners

178.

Shemoga District
Deputy Commrs Office
11th May 1876.

From

The Deputy Commissioner
Shemoga District

To The Commissioner
Mysore Division

Sir,

I have the honor to submit the following report on the working of the Municipalities of the Shemoga District for the last year 1875-76 prepared in accordance with the new forms prescribed in circular No. 245 dated 14th June 1875. Vide Corrn of the Pro: of the Commissioner of Mysore No. 2688/G.70 dated 28th June 1875.

2. It is to be mentioned that the Appendices prescribed in the above Circular were not adopted during the last year as the Circular was received too late.

3. Appendices A. B. C. & D. which explain the working of the Municipalities are herewith attached.

4. Appendix E. shows the Income of the several Municipalities of the District, the population of each town, the No. of members of Committee and the different heads from which the Municipal Income was drawn.

5. The total population subjected to Taxation was 30451, and the total Income available for Expenditure was Rs. 31175-3-10.

working of the Several Municipalities
of the District, Excepting Ahmedabad and Kaira,
was conducted by means of Municipal Boards
consisting of 13 official & 24 non official members
of Committee. One of the non-official members
of the Viramgam Municipal Board died during the
year under review. The Municipalities of Dholka
and Nadiad are still in their infancy and no
Committees were formed during the year, but
under instructions conveyed in para 2. of the
Govt Commr's Pro. no. 8092 dated 27th January 1916
Rev. 47
orders have been issued to the Collector to select
members and submit their names for
sanction. It is hoped that monthly meetings
of those Towns will be held during the current
year.

The total income from Octroi in the
several Towns was Rs 6407-2-2 or Rs 592-1-4
less than in the preceding year. The falling off
under this head is owing to the reduction of the
no. of articles subjected to Octroi tax especially
in the Town of Ahmedabad. Piece goods were
added to the list of Octroi in the Town of Thasra only
and an advalorem tax of 2 per cent is collected.
as sanctioned in your letter No. 938 dated 4th January 1917.

8. The collections under the head Municipal
House Tax were Rs 5301-9-11 in all the Towns.
On comparing this with the actual income of
the previous year, a small decrease Rs 232-11-2
is observed, this was owing to the outstandings
balances at the close of the year under report

9. The Octroi tax contributed to the

Octroi.

5 Cart Tax -	219-0-4
Total Rupees	3229-6-4

10. The total income from taxation was Rs. 14938-2-1 and the incidence of taxation per head of population is given in Column 20 of Appendix A.

11. (a) The total income from Grants was Rupees - 1146-13-6
(b) Contributions - 623-1-8
(c) Fines, - 96-12-4
(d) Miscellaneous - 140-1-11

Items (b) Contributions. 12 This was recovered from the inhabitants of Shanty for the improvement of the Shanty, Chikkakere tank

13. The Particulars of total income during the year under report are given below.

(a) Income from Taxation	14938-2-1
(b) Miscellaneous Receipts -	2006-13-5
(c) Balance of previous year -	14233-4-4
Total Rupees -	31178-3-10

14. Appendix B. shows the Expenditure of the several Municipalities in the District, which amounts in the aggregate to Rs. 19244-4-1

15. The Head office Establishment of Stationary and the charges incurred towards its maintenance were Rs. 751-5-7.

16. The Collection of Police agency dues

cost the Municipality of Shimoga Rs. 383-7-8.
and Rupees 2908-5-1 respectively.

The Conservancy Establishments in the several Municipalities did not undergo any change and a sum of Rs. 6102-9-8 was expended towards its maintenance.

18. The streets in the Town of Shimoga have been lighted with Kerosene oil at a cost of Rupees 198-11-8.

19. A sum of Rs. 2460-11-3 was spent on original works which are named below.

1	Surface drainage in the Brahmin's street	154-11-4
2	Constructing Cisterns	198-11-1
3	Masjid well	552-6-1
4	Kristtrayapoor well	3-11-11
5	Chaluvar R.C.C. well	7-11-8
6	Bandy stand well	62-8-4
7	Soakage pit drain	136-1-8
8	Barstow well	358-7-5
9	Construction of 2 Cholera sheds	137-14-4
10	River side road at Shimoga	264-12-11
11	Opening a new road at Harihar	194-2-11
12	Construction steps to the river at Harihar	275-11-4
13	Constructing a Cattle Pound at Harihally	116-11-4
	Total Rupees	2460-11-3

20. Works Nos. 1, 4, 5, 6, 7, 9, 11, 12, & 13 have been completed during the year. Work No-2. will be finished during the current year. Works Nos. 3 & 8 have been stopped vide your letters Nos. 599 & 571 dated 25th Sept. and 22nd September 75 respectively.

Municipal Commissioner
Shimoga

Work No. 10 was commenced and Rs. 14-12-
are actually spent on surveying and
levelling, and the balance Rs. 250 charged
in the accounts have been drawn as
an advance and kept in deposit. So
that it may be expended during the
current year when the expediency of
carrying out the work or otherwise
fully decided, in connection with
the objections raised by the residents
who own houses on the back of the river.
The present trace has been made with
the aid of the convicts.

21. With the exception of Shemoga,
Honnally and Shiarthally no original
works were carried out in any of the
other Municipalities of the District
during the year under report.

22. Road repairs have been carried
out in all the Towns excepting Honnally,
within their Budget limits and the total
expenditure incurred under this head
was Rupees 3052-4-1,

23. Under the head Miscellaneous a
sum of Rs. 3276-6-11 was spent during
the year, and it chiefly consists of the
charges incurred for the Feed of Municipal

C. H.

repairs of
Pound Establishments, ——— purchase of Tools and Cattle, and Sundry other Charges. The item of Rupees 3276-6-11 included the balance Rupees 1500-1-0 of the loan of Rs. 3500-0-0 sanctioned by the Chief Commr to the Municipality of Shimoga, which was adjusted during the year under report.

24, A sum of Rs. 33-11-2. was refunded to owners of stray cattle.

25, Rupees 77-6-0 realized from the Sale of building sites in the Municipalities of Shimoga, Chennagiry, and Shikarpur was at first credited to Municipal Funds but it was afterwards deducted from the funds and credited to Rev. Deposits Vide Deputy Accts Genls Cir No. 1153 dated 25th Augt 1914.

26, Appendices C and D. shewing the incidence of the Octroi per head of Population, and the quantity or value of the principal articles imported into and taxed by the Municipalities during the year are herewith appended.

27. In conclusion I may add that the year under review is a marked one for the outbreak of Cholera in the District.

Street Sanitary arrangements were made, and two Cholera Sheds were Constructed in the town of Shemoga at the Expense of the Municipality, so as to check the infection and the Spread of the Epidemic.

Report on the working of the Municipalities in the Nundidroog Division for 1875-76.

---

1 There are 36 Municipalities in the Division the Number being the same as last Year.

2 Excepting at District and the Division Head Quarters, there and other towns nearby always provided Committee Meetings convened to take in consideration proposals on the subject of General improvements & sanitation, the Proceedings being subject to the Confirmation of the Deputy Commissioner in the Case of the Motor Municipalities & Bangalore Municipalities the proportion of Official and non Official members was the same as in the previous year.

3. The aggregate population of the Municipalities with the exception of Bangalore Town and Cantonment was 1,52,041 as shown in detail in Appendix A.

4. The total opening balance to the Credit of the Municipalities at the Commencement of the year under Report as shown in Appendix A. amounted to Rupees 39702-15-9 and the total Cash

income from all sources aggregated Rupees 28036-4-3 including grants in aid of Rupees 3355-7-1 given to the following towns.

1	Oddepett	Rupees	535-0-0
2	Chennapatna	"	35-0-0
3	Kolar	"	280-0-0
4	Sringapur	"	50-0-0
5	Bowringpett	"	47-11-6
6	Cubbonpark	"	192-15-7
7	Cubbonpett	"	2068-0-0
8	Bagepally	"	46-2-6
9	Goribedanoor	"	101-1-6
	Total		3355-7-1

On a Comparison of the receipts of the last and the previous years, as shown in the Statement marginally given it will be observed, that there has been a Net increase of Rs 4425. in the year under Report.

District	1875-76 Houses Let	Unrealised Balance	Grant in aid	Total	1874-75. Houses Let for	Unrealised Balance	Total	Difference Less
Bangalore	4323	3556	900	8779	3735	3594	7329	1450
Kolar	7898	980	2455	11333	8320	2125	10445	888
Tumkur	3257	1466	4	4723	1688	4593	6281	4
Total	15478	9002	3355	27833	13743	10312	24055	888
Deduct Less grant in aid for 1875-76.								

6. With reference to the fluctuation in the item of Houses let in the Bangalore and Tumkur Districts, the Deputy Commissioners report that the increase under this heading is due to the uncollected balances.

of previous years Drawings been realized during the year under report. The Miscellaneous Heads under "Miscellaneous" are of Course Considerable as this Heading Comprises Fines on Stray Cattle, the Sale Proceeds of Manure, Income from the Town Manroys & which are always uncertain Sources of Income.

7. By an oversight a Sum of Rs. 200.3.9. was drawn in excess from the Treasury in the Bangalore District and this Amount stands to the debit of the Towns noted in the Margin.

8. The attention of the Bangalore Deputy Commissioner has been called to this point, in view to the Money being refunded from the Current years Collections, and if this Cannot be done he has been requested to Submit an Application for a Special grant from Local Funds General.

9. The Deputy Commissioner of Bangalore reports that a liberal Contribution of Rs. 1000 in Cash has been made by a Mr. Yelemalla Shetty towards the long Contemplated improvements to the Town of Magady, this Sum has not however been included as yet in the Jamabandi Accounts, but this will now be done.

10. With reference to the observations made by the Chief Commissioner regarding

the

the abolition of Octroi in para 3 of the Proceedings No. 2216 of 14th June 1876, the Deputy Commissioner of Tenkasi reports that it has been arranged to levy a House tax instead of the Octroi from the 1st April 1876.

11. The total expenditure incurred by the Town Municipalities during the year was Rs. 32,572 as particularized below leaving an aggregate balance of Rs. 35,166, at the close of the year as detailed in appendix B.

Municipalities.	Head Office establishment	Collections	Police	Conservancy	Original Public Works	Special	Miscellaneous	Total	Remarks
Tenkasi	368	466	"	2211	2313	1110	"	959	7727	
Palai	148	"	1506	2626	3537	6071	286	100	14274	
Sivakasi	172	197	"	3393	3390	3392	"	27	10571	
Total	688	663	1506	8230	9240	10873	286	1086	32572	

12. The total expenditure under Original Works was on account of Sides Stone Drains, Road Repairs &c.

13. All will be seen from appendix B. Had except in the marginally noted Municipalities the very limited income obtained

1 Conservancy.
2 Original Public Works.
3 Special Repairs.
4 Miscellaneous.
5 Collections.
6 Establishments.
7 Conservancy.

obtained did not account of many new improvements being effected).

14. The Chief Commissioner has however sanctioned some special grants for towns in which sanitary improvements were urgently needed.

15. Rupees 200 were expended in opening out a new road into the fort at Foscottah, which was very much required.

16. An annual grant of Rs. 300 for the next three years to meet the indispensable conservancy requirements in the town of Colaspett and a further grant of Rs. 200 for sinking wells in the same town was sanctioned for the year under report. The above sums have been utilized in the manner proposed.

17. The grant of Rs. 200 to meet supposed requirements on account of an anticipated outbreak of cholera was expended exclusively on sanitary arrangements in the towns marginally noted.

18. The projects for improving the towns of Foscottah & Bragady were submitted the year before last but have not yet been sanctioned or definitely disposed of. The urgent necessity for some improvement in the case of the latter town has led to instructions

1 Foscottah 300 Rs
2 Colaspett 300 "
3 Colarfottah 35 "
4 Bragady 50 "
Total 200.

being ispeed to Commence work at once.
The work is therefore in progress and
disbursements are made out of the
Amount Contributed by the Municipal
Capitalists.

19. The Scanty income of the Bowring-
pet & Goribidanur Municipalities induced
the Deputy Commissioner of Kolar to apply
for an additional grant of Rs. 500 & 400 for
1876-77, but as his suggestions regarding
the levy of an octroi duty are inadmissable.
I would beg to draw Special attention
to my letter No. 1770 of 1st August 1876.

20 The Connection with other Municipal improvements the Nil Vale Tank
Project which received the Chief Commissioners Sanction and which is to
Cost Rs. 2525 is reported to be progressing.
This Reservoir is looked to, as the Chief
Source of the water supply of the town of
Kolar.

21. The opening out of the old fort
in the town of Chickballapur was an
important work done and finished last year.
The Estimate amounted to Rs. 4136 of
which the Chief Commissioner Sanctioned
half the Amount Rs. 2068 from the Local
Funds General & directed that the dif-
ference be met from the Sale proceeds
of

of Building Sites & from general & Misc
ellaneous.

22. The steps to the reservoir and to Bandy stand at Lily Cut have not been Constructed as these projects were Sanc
tioned too late in the year. Materials ha
ve ever been Collected.

23. Two Sums of Rs. 240-12-9 and 44-15-11 have been debited against the Municipalities of Kolar & Chickballapur under the heading Charitable institu
tions on account of Sundry Charges in Connection with the dispensaries Establis
hed in this Towns.

24. The expenditure under other heads such as Repairs, Conservancy &c. being of an ordinary Character do not call for any Special Remarks.

ENCLOSURES NO. 12

General No. 187 —7

No.

Copy requested by the Commissioner and Agent Superintendent Dimmock in his Circular dated 20th ult. calling for Returns of Municipal Revenue and Income in the District for the year 1875-76 together with explanatory Memo.

The returns of the various Municipalities &c &c &c

In Municipal Commissioners Office

Explanatory Memo of Items of receipt and expenditure entered in the budgets of the following municipalities for 1875-76.

The accounts submitted are as follows

1. Statement A. Furnishes full details of receipt and expenditure of Municipal funds during the year 1875 76 under the various heads.
2. Statement B. Shows the sanctioned expenditure from Municipal funds on original works.
3. Statement D. Shows the quantities and values of articles which paid octroi duty to the Municipalities.
4. Statement E. Shows the population, number of Members of Committee, incidence of taxation and of octroi duties per head of population
5. Appendix A. Shows the incomes from all sources of the Municipalities together with the balance in hand on the 31st March 1875.

6. Appendix B shows the particulars of expenditure incurred on account of original works, Item III in Statement A debited

7. Appendix C. Shows the incidence of octroi duty per head of population

8 Form C. Shows the detailed and classified charges.

The marginally noted 10 Municipalities are under the control of the Deputy Comr.. The Amildar of the Achtagram Taluk for the time being is the President of the Sernigapatam Municipality, while the Assistant Commissioner in charge of the Amsem Sub Division is similarly the President of the Amsem Municipality; the Proceedings of both Municipalities however require the sanction of the Deputy Commissioner. The duties connected with the eight minor Municipalities are managed by the Amildars without the assistance of Committees.

5	Tobacco	138	10	9
6	Cloth	159	3	9
		1070	1	9

The Mohatarfa tax on houses in the town of Aimere is not credited to the Municipality. A small Conservancy tax is however levied every month under the designation of "Katchera teregi", the rate being two annas for large houses and one anna for small. The total number of houses so taxed was 550 and the revenue produced was Rs 450; Rs 387" 13" 0, being arrears of former years were collected during the year under review.

The sum of Rs 640-0-2 entered against Miscellaneous is made up as follows.-

1	Fines for cattle trespass	277	8	6
2	Pounds	166	4	"
3	Fines imposed on absentees	57	"	8
4	Sale proceeds of manure	96	3	"
5	Amount of double duty levied on smuggled articles	43	"	"
	Total	640	"	2

Expenditure

The expenditure under all heads came to Rs 3,286 as detailed below

1. Octroi Agency	428	"	"
2. Supervision	96	"	"
3. Original works	1,345	"	"
4. Repairs	150	"	"
5. Conservancy	910	4	5
6. Lighting	96	"	"
7. Contingencies	157	14	1
8. Miscellaneous	108	13	6
	3286	"	"

During the past year three additional Peons at Rs 5 each were entertained and charged to the head Octroi. The increase was necessary, as it was found that the duties devolving on the peons already entertained were too heavy to be got thro satisfactorily.

The estimate of Rs 1,345 for the construction of a double latrine, which was submitted to the Commissioner, has not yet been received sanctioned. The sum was however drawn at the end of the official year and is kept in deposit pending receipt of sanction.

A sum of Rs 150 has been expended on the usual annual repairs of roads and drains.

In 1874-75 a sum of Rs 2,500 was put down under the head "Original works" in view to its being appropriated for the construction of a market and for the improvement of wells, but the estimate has not as yet been sanctioned and consequently the amount was not drawn: Similar provision has however been made in the current year's budget.

Two extra Sweepers were employed September 1875 Consequent on the prevalence of Cholera in the town of Amsar and they were paid from the Reserve fund of Rs 100 entered in the Budget for 1875-76. Their services were dispensed with in March last.

Under

Under the head Contingencies and Miscellaneous, a sum of Rs. 260-11-7 was provided for. Of this Rs. 62. 9. 7 were spent as follows:-

1. Brass plates and belts for Municipal peons	35 " 0 "
2. Cost of printed forms	3 " 9 "
3. Desk	9 " 0 "
4. Box for the preservation of Cheque books, accounts &c.	15 " 0 "
	62 " 9 "

and the balance of Rs 198 " 2 " 0 was spent in Contingencies such as the purchase of baskets, brooms &c. required for sweeping and for removing the rubbish in streets.

Minor Municipalities

Receipts

The actual receipts of the year under report amounted to Rs 8,427 " 7 " 0 (including balance of previous year) against Rs. 7811-3-4 in 1874-75. The following table gives the details.

	1875-76			1874-75		
1. Chamrajnagar	394	2	10	905	13	8
2 Yedatoré	421	13	6	330	12	5
3. Heggaddévan Kóté	361	14	1	372	3	9
4. Gundlupet	457	6	4	950	13	4
5. Nanjingud	809	7	7	1,014	1	2
6. Talkad	92	12	4	169	6	8
7. Mandya	464	8	"	454	11	10
8 Maddur	"	"	"	123	11	5
9 Malvalli	299	15	4	542	4	7
Total	3,302	"	5	4,321	10	3
Add last year's balance	5,125	6	7	3,489	9	1
Grand Total	8,427	7	"	7,811	3	4

The decrease of Rs 616-3-8 observable between the present and previous year's receipt is due to the small quantity of duty paying piece goods imported from H.M. Majesty's territories and to a falling off in the importation of tobacco and areca nut from H.M. Majesty's Territories and other places.

The actual expenditure during the year was Rs 3,985-6-4, or Rs. 1,668-7-7 more than in the year previous. This increase is due to the entertainment of the full authorized Conservancy establishment in towns where such could not

Expenditure

be

be done last year owing to the difficulty in procuring in time the requisite number of sweepers, carts and Bullocks at the rates allowed.

The details of expenditure were

1	Octroi Establishment	1,010 " 0 " 0
2	Conservancy — do —	1,721 " 8 " 0
3.	Repairs	299 " 12 " 4
4.	Head Office charges	492 " 0 " 0
5.	Contingencies	462 " 2 " 0
		3,985 " 6 " 4

There has been no material change calling for remark in the fixed expenditure on establishment.

The large sum of Rs. 155 " 9 " 3 debited against the Taluk of Gundlupet under the head "Contingencies" was spent on maintaining extra hands during the prevalence of cholera for the removal of rubbish and the filling up of cess pools &c (Vide Chief Commrs Pro. No 2971/8 dated 8th July 1875).

Only Rs. 299 " 12 " 4 were expended on the repair of roads and drains in some of the minor Municipalities, and

the small crew of this expedition is
due to the fact that it was all that
the weight would permit of.

No. 3

In continuation of this No. 960 of 26th June last, I enclose a transcript Co. of the Administration Report of the Cantt. Mt. Comm. for the year ending 1896-97.

Cantonment Municipal Commission

Bangalore.

To,

The Secretary to the

Chief Commissioner of Mysore.

Sir

In Continuation of my letter No. 96 dated 26th June 1876 forwarding a printed Copy of the Annual statement of Accounts, and in Compliance with your Docket No. 5135/898 of 19th August 1876 requesting the early submission of the Administration Report - I have the honor to submit in Manuscript, the Administration Report of the Cantonment Municipal Commission for the Official year 1875-76, and to inform that the report is now in the Press, and on receipt a printed Copy of the report with the tabular statement of Accounts will be forwarded in due course

I have the honor to be

Sir

Your most obedient Servant.

President Municipal Commn.

Annual Report
of the
Cantonment Municipal Commission
for the
Official year 1875-76

Regulation in force throughout the year under report. — The Municipal Regulations of 1871 have continued in force

Composition of the Board. The following Changes have taken place during the year in the Composition of the Municipal Commission; Mr. Curtis No. 5 Division died early in the year, Mr. Brown No. 6 Division retired in July; the vacancy caused by Mr. Curtis' death was filled by Mr. J. T. Leonard, but at the close of the year there were still three vacancies not filled up. In my Administration Report for 1873-74, I observed that "a marked feature in the Administration of Municipal Affairs of late years is the success that has attended the system of selecting Commissioners to represent certain distinct

anagement and
of which they are thus directly identified,
and it is gratifying now to report that,
no abatement in the interest taken by the
Commissioners in the Control and manage-
ment of all the sewers connected with the
improvement of their respective Districts
has taken place, but as the tax on the
Commissioners time is thus very Considera-
ble great difficulty has been experienced
in selecting Competent persons who have
sufficient leisure at their disposal, or
who are willing to accept the trouble
and responsibility that the discharge of these duties now necessarily
entail by the rules in force; the selection
for the appointment of Commissioners of
a Division can only be made from per-
sons residing within the limits of such
division, and it appears to me that
this is a rule that it will now be
necessary to modify. I have already stated
that the active discharge of Municipal
duties entails on the Commissioners
a large amount of work in proof of
which I may mention that, during
the

the year now under report the Overseers of No. 4. Division have transmitted to them as many as 176 petitions and building Applications.- To form an estimate of the amount of trouble and the tax on the time these reports entail it is necessary to bear in mind that in every Case and in many instances repeated have to be made by them to the loc under reference.

The total annual Municipal Receipts of the Amounted to Rupees 128,211-2-3 inclusive of a balance of Rupees 5,473-15- Carried over from the previous year- Div A I shews the Act Receipts during the year Contrasted with the Budget estimate and from which it will be observed that, the Actual Receipts exceeded the Budget estimate by a of Rupees 1146-2-3. The Chief items which the sums realized exceeded estimates were, the house and shop Tax, due in a great measure to a re assessment of Divisions No. 1 and 2, on which the biennial assessment had

Expenses, while the deficiency was almost entirely caused by a falling off in the Receipts under the head Excise on Liquor Licenses, and other items of trifling importance.

The Revenue derived from each of the present Sanctioned modes of taxation and the incidence of each per head of Population is given below

Taxes	Amount realized			Incidence per head of Population.		
Octroi 2/3rd share	41733	5	4	"	8	15/16
House Assessment including Profession Tax	31420	7	2	"	6	1
Liquor Licenses Fees	23740	4	"	"	4	9/16

The total expenditure for the year amounted to Rupees 1,24263-6-10 Municipal Expenditure leaving a balance of Rupees 3,947-11-5 to be carried over to next years Credit. A detailed and Classified statement of the expenditure is given in Form C Appendix B. I subjoin a table shewing the expenditure under each of the several heads and the ratio each

heads

bears to the total amount suspended

Item of Expenditure	Amount			Per Centage
Head office & Collection	16,726	3	10	13.45
Police	19,098	7	7	15.37

	14263	6	10	

The Receipts from the sale of Land Funded Capital ates amounted to Rupees 9489 and which sumhas been Added to the funded Capital of the Municipal the amount thus funded now amounts to Rupees 14,073-6-6

Original Works

B. Roads

All the embanked portion of the Raising and metalling road to the West of a portion of Jail Road Penotaph road was raised to a Maximum height of 18 inches and after the new materials had become thoroughly

thoroughly Consolidated. Metal and gravel were laid on. The raising of this road was found necessary as owing to the heavy monsoon of the previous year, and to the unusual quantity of water received into the Tank, all this portion of this Road was submerged for several months; the Cost of the work was Considerable amounting to Rupees 1,487-12-4 being somewhat in excess of the Budget Estimate.

Opening up Road from Jongpollium to Salar Road.

The Opening up of this road has effected a great improvement and has supplied a want that has been long felt, viz: a means of direct Communication from the village of Jongpollium to the Madras Road; Moreover, as the line has been so Constructed as to be directly Continuous to the Road formed during the previous year along the North side of Ulsoor. A direct Communication now exists between Jongpollium and the latter village The total outlay incurred on the work was Rupees 512-15-10 of which amount Rupees 300-10-5 were paid as Compensation for the land required to be taken up

Both

Both these works were undertaken with the view of improving the Sanitary Condition of the localities, the drainage of which was not only defective, but no means of access for Conservancy purposes had previously existed. This unsatisfactory condition of matters has now been remedied at comparatively a trifling outlay and which was chiefly incurred in payment of Compensation for the portion of land required to be taken up

widening the lower portion of Bonnet Street and opening up a Lane crossing D. No 5 Street Bloor

J. Drains

The total expenditure under this head amounted to Rupees 12,477-12-0 and the work undertaken Consisted in the Construction of 10,395½ running feet of V section drains and 2,033 running feet of Box drains; these drains have been Carried through some of the filthiest portions of the General Bazaar, Shoolay, and Bloor with results most satisfactory, both as regards the external appearance, and Sanitary Condition of these localities.

G Walls

All the public Walls have been

been cleared of silt. The further works undertaken during the year consisted in the deepening and improvement of several of the Tanks and Reservoirs, and in the Construction of this new Municipal Wells. The North East Monsoon of 1875 entirely failed and as the hot season of the present year approached, great scarcity of water began to be felt; to meet this six pucka lined Wells were Constructed two at the Dhobies Ghat, one behind the new Tannah in Cleveland Town, one to the South of Municipal Nursery at the West end of Ulsoor Tank, One in Richmond Town to the West of Ashtinimmbly Tank, and, One at the junction of Jail and Cenotaph Roads, Stringent measures were also adopted to regulate, and within Certain limits restrict the supply of water furnished to each house-hold and thus prevent undue wastage. These precautionary measures proved most successful, and when the year Closed, the supply of water furnished by most of the Wells was still found to be amply sufficient for the wants of the

Community

Communities. No. 3 Reservoir has been greatly improved and its storage Capacity increased by the deepening of its bed and by the Continuation of its Guide Banks along its western end. No. 4 Reservoir, and the small reservoir called Sultanjee Goontah have likewise both been deepened and their storage Capacity thus increased

H. Markets.

Three blocks for the sale of Country Vegetables have been Constructed at a total Cost of Rupees 1,381—1—5, these blocks have been Constructed to the Eastward of, and in a line parallel to the present Mutton stalls they Consist of a slightly raised platform down the Centre of which run a line of stone pillars securely attached to which are T iron stents; the whole giving support to a light timber and Galvanized sheet iron roofs, the effect is a light neat looking and Secure structure affording ample protection to the Vendors from both sun and rain, while at the same time, the least possible obstruction is offered to the free Circulation of air— The former, unsightly, badly Constructed and unsuitable line of stalls forming

the beef and fowl Markets, have been entirely removed, an adjoining portion of ground has been purchased, and in the Centre the open space thus made available, two substantially Constructed blocks of buildings have been erected; each block contains 22 Stalls, giving to each an Area of 24 square feet. It is intended to surround the Market with a cast Enclosure wall, and further to improve its appearance by the erection of a neatly designed Archway, at the Main entrance from Broadway

Town Buildings

The only works undertaken under this head consist in the Construction of eight filed Latrines at the following localities, One at the South East Corner of Knox Path, One at the South West Corner of the Native Village, One at the Village of Dodda-Sinkalu One at Gallagoodenpalya, One at Badenhally, One at Mootthoocumpenpalya One at Kulhully, and one in the Fort at the South East Corner. These Latrines have been Constructed on the plan recommended by the Sanitary Commissioner

of Madras, but instead of the enclosure Walls being made of bamboo tattie, as recommended by Doctor Cornish, advantage has been taken of the cheapness of stone at this station, to make use of this material, and, all our field Latrines are now Constructed entirely of stone slabs 4½ feet in length by 2 feet in width. These Latrines possess the twofold advantage of cheapness and great durability, added to which they can with little extra Cost, be removed to another site, should such a measure at any time hereafter be Considered advisable or necessary.

Lamp Posts.

A three branch Ornamental Lamp Post has been erected at the junction of St. Thomas with Residency Road, this Lamp Post has been placed on a brick-in-Cement pedestal 4 feet high, which again for its better protection is surrounded with an Ornamental Wrought Iron railing. A four branch Lamp Post, was likewise supplied by the Municipality to the D. P. W. for the purpose of being placed at the junction of the four roads

Miscellaneous

The most important Works Carried out during the year under this head were as follows:— Inclosing the Pinewood Bandy Stand with a stone wall - This Bandy Stand which was established for Carts bringing in firewood is yearly rising in importance, and is now largely resorted to by both Venders and buyers, the stone wall now Constructed serves to define the limits of the charter and also add much to the appearance of the locality

The parapet Walls of this sewer were in several places only 1½ feet in height, and frequent Complaints have been received of the danger incurred in Consequence to passers by, and more particularly during dark nights - The wall has now been raised to a Uniform height of four feet

The tenants occupying the Municipal Stands in the Moor Market petitioned for additional accomodation for storage purposes, and as ground to be an

//

of the Municipality was available from additional revenue have been constructed at a cost of Rupees 4 95.

Watering Roads and Plants

A sum of Rupees 1,969-6-3 was expended in planting out young trees and in supplying water to such of the young Avenue trees as had been recently planted out.

Conservancy

The charge for the Conservancy Establishment amounted to Rupees 15,598-2- from which must be deducted Rupees 107 realized from the Several rubbish Contracts The actual Expenditure incurred under this head consequently amounted to Rupees 15,522-2-10 the present Establishment has been proved to be insufficient for the growing requirements of the station and provision has accordingly been made in the present years Budget for an increase of two Overseers 6 Scavengers and 27 Sweepers

Police

One third share of the Cost of the Police Establishment is now borne by the Municipality the expenditure thus incurred amounted to Rupees 19,098-

against Rupees 15,094-13-8 in the previous year, this increased expenditure was due partly to an increase to the Establishment and partly to an allotment in the Police Budget for the erection of Police Lines.

Lighting

The expenditure under this head amounted to Rupees 8,259-7-11 against Rupees 7632-1-2 in the previous year this increase being due to an increase in the number of Lamps.

Vaccination

Appendix R, exhibits the operations performed by the Municipal Vaccine Establishment during the year, and shews that out of a number of 1,258 operations performed 1,046 are returned as having been successful

General Remarks

The Mortuary Returns shew the number of deaths during the year to have been 1783 against 1718 in the year previous being in the ratio of 22 per Mille of population. Cholera made its appearance at Goonoolpett a Town about 70 Miles to the south West of Mysore

was Early and in the following Months the disease
reached the Town of Mysore, Early in September
the disease shewed itself in the Cantonment
and during that and the three following Months
there were 504 Cases of which 322 proved fatal.

On the first appearance of the
Epidemic arrangements were promptly made in
Communication with the Medical Authorities
for Controlling as far as possible the spread of
the disease, the station was divided into five
Districts or Divisions in each of which a Dispen-
sary was established furnished with a supply
of suitable Medicines. To each Dispensary, One or
More Medical subordinates were attached whose
duty it was to visit all Cases of the disease
occurring within the limits of their respective
divisions, and either treat the patients in their
own house or have them removed to a Cholera
Hospital which had been specially established
for the reception of such patients near to the
Village of Kulhully - due precautionary Measures
were also adopted for Cleansing and dis-
infecting the houses of all affected parties
and for improving generally the Sanitary
Condition of the locality

I have Continued to receive
most valuable assistance from Mr. Pereira.

in all matters Connected with his official duties as Executive Member of the Municipality

I have much pleasure in bearing testimony to the zealous and efficient manner in which the several officers marginally noted have discharged the duties of their respective Departments

Mr Dara Rajoo Moodeliar Municipal Accountant has ably and efficiently Carried out his duties.

President
Town Mc. Commission.

Town Municipal Commission

for the official year

1875-76.

The Municipal Regulations introduced in 1871 have continued in force throughout the year under report.

No changes have during the same period been effected in the composition of the Board.

The following are the sanctioned sources from which funds for Municipal purposes are raised.

I An octroi on Tobacco, Betel-Leaf and Betel Nuts.

II. A Mohatarfa Tax.

III A Tax on Houses, Buildings and Lands imposed only on those classes who are exempted from the operation of tax No 2.

IV A tax on Sale of spirituous liquors

The subjoined table shews the actual amounts derived during the year under report from

on each of these modes of Taxation and the incidence of each per head of population.

		Amount realized	per
I	Octroi.	20866 108	"
II	Tax on Houses, Buildings or Lands	10731 11 11	"
III	Tax on Professions and Trades including Liquor license fees	25,229 11 2	"
IV	Other Miscellaneous.	7940 14 7	"

The actual receipts from all Sources inclusive of a balance of Rupees 8717-7-10 carried over from the foregoing year amounted to ~~Rs~~ 73486-8-2. Appendix A I exhibits the gross receipts during the year contrasted with the Budget Estimates and shews that the actuals exceeded the Estimate by ~~Rs~~ 3892-8-2 and which excess was due to the following causes

I An outstanding balance from the previous year under Heads II & III was made good during the year under review.

II There has been a considerable increase in the anticipated income under Head Rents consequents on the construction of additional Market Stalls as also on a stricter system of Supervision over the Market collections.

III. To an increase of receipts under head miscellaneous and

IV. To a Sum of ~~Rs~~ ₹26-3-6 received in the course of the year from the Deputy Commissioner and which did not appear in the Budget.

The total expenditure for the year } a detailed and classified statement of which is given in Form C — Appendix B amounted to ~~Rs~~ 64005-3-8 leaving a balance to be carried over to the next year's credit of ~~Rs~~ ₹481-"-"/.

The subjoined table shews the expenditure under each of the several Budget Heads and the ratio each bears to the total expenditure

	Amount	Percentage
Head office and Collector.	7072 8 10	11·5
Original Works and Supervision	13070 7 "	20·42
Repairs.	4748 15 7	7·42
Police.	20605 11 4	32·20
Charitable Institutions	120 " "	0·19
Conservancy	8970 11 6	14·2
Road Watering	24 10 8	0·4
Lighting	2036 15 2	3·17
Gardens.	181 2 "	0·29
Miscellaneous.	7174 1 7	11·20
	64005 3 8	100 00

The Budget allotment under this head was Rs 9000/. of which Rs 3851–13–10 was expended in the construction of 653 ½ running feet of V section Drains and 6080 ½ running feet of Box Drains.

The subjoined table shews the amounts of the work that was carried out in the several Divisions of the Town.

Items	V section Drain Length in Feet	Box Drain Length in Feet	Total Cost Rs
No I Division	"	1634 ½	896 15 7
No II Division	53	772	452 6 4
No III Division	600 ½	36 ¼	25 02 7 1

The chief works undertaken during the year under this head were reconstructing a portion of the revetment of the Dhurmamboody Tank and which had been damaged by the heavy rains of 1874 and in the construction of a new well in connection with the Public Mutton Market

A Sum of ~~Rs~~ 2883/. was provided for in the Budget for dismantling the old covered sheds standing in the centre of the Vegetable Market and reconstructing the same with Bengal tiled roofs, the project would only have given improved accommodation to the vendors of Sugar-cane and to certain dealers in petty bazar articles, while the vegetable vendors who are in the habit of occupying the open space within the Market enclosure would have been in no way benifited, it consequently occured to me that a revision of the original plans would be desirable and Sanction having been duly obtained; 8 covered sheds similar to those lately constructed in the Cantonment Market and a full description of which was given in my report of that Municipality have now been erected at a cost not exceeding the original Estimate, these sheds have not only improved the

appearance of the [illegible] but have also added much to the convenience and comfort of the vendors who fully appreciate the shelter from Sun and rain that has thus been afforded them

In my annual report for 1873/74 I mentioned that the Municipality had constructed a Bandy Stand for carts bringing in Firewood for sale in the Town this Bandy Stand is now so largely resorted to that it was found necessary to increase the accommodation required by the Bandy men and with this view during the past year additional Stone built Sheds or 'Undamans' have been added at a cost of ~~Rs~~ 500/.

A further Sum of ~~Rs~~ 1914-8-7 was expended on works included under the head now under reference from the Budget allotment, "Extraordinary P W," the chief works thus undertaken consisted in the re-roofing a portion of the Pettah Tobacco

Kotte

Kotee at a cost of Rs 755/. in rebuil the Cook room and out houses attached to Pennaiyas Chuttram, in the erection of a Cholera Hospital and sheds attached, &c. a site selected for the purpose to the eastward of the Fort and on other minor works not worthy of particular mention.

The expenditure under this head amounted to Rs 1100-2-8 against Rs 439-11-6 in the previous year. The works undertaken and deserving of special notice consisted in the construction at a cost of Rs 479-7-1 of an additional flight of steps to the Kumbar Gundy Reservoir a work rendered necessary from the great numbers that now resort to the Reservoir for washing and bathing purposes. A further sum of Rs 589-8-9 was expended in repairing several breached portions of the Supply Channel to the Dhurmamboody Tank. this work has been, carefully and substantially

carried

carried out and as it is contemplated

enlarge during the present year the waste
ways of the Tank it is hoped that by
this means the necessity for opening these
breaches may in future be dispensed with.

The works undertaken and calling
for special remark under this head are
the following:— The opening up of a Lane
to connect Cumbum Pete into Langerkhana
road this most necessary and useful
project has been delayed owing to the
opposition offered by one individual to give
up a small portion of his ground required
for the proposed road, with this exception
all the other parties concerned have accepted
the Compensation offered but as application
has now been made to acquire possession
of the portion of ground required under the
provisions of Section 98 of the Bangalore
Municipal Regulations it is hoped that
the project may be carried into effect

during

during the present year. A Sum of Rs 200 had been provided in the Budget for the widening of Metkal lane but this project was, also obliged to be deferred as no satisfactory arrangement could be made with the owners for the purchase of the ground and buildings required to be taken up.

The Budget allotment under this head was Rs 5000/. of which amount Rs 4748-14-7 was expended chiefly on petty repairs to the numerous roads and lanes of the Town and on the payment of the salaries of the Road and Drain Kahath Establishments. The subjoined statement shews the amount of work performed by these latter Departments during the year.

	Gravelled Roads yards	Repaired Roads yards
Road Kahaths	1st Division 822	2898
	2nd " 959	5581
	3rd " 3979	3956.
	5760	12,435

	Drains restored yards	Opening & earth drains yards
Drain Kahaths	1st Division. 1697	557
	2nd Division 3118	858
	3rd Division. 2424	2286.
	7239	3701

The Expenditure incurred for the pay of the Police Force amounted to £20605-11-4 against £20310-4-10 in the previous year

The Pera Municipality is still charged with the whole cost of its Police Establishments, a charge which I shall presently shew is yearly increasing and has now reached a scale that was not and could not have been anticipated at the time the arrangement was originally made, and as the outlay thus incurred is a serious burden on the resources of the Municipality it seems highly desirable that some measure of relief should now be afforded. I brought this subject frequently to notice in a letter No 405, dated 11th March 1872 to the address of the Secretary to the Chief Commissioner P. W. D and was informed in reply that the question of relieving the Municipality of a portion of the cost of the Police would be considered and dealt with

before

before the Budget of 1873-74 was prepare. I regret to add that notwithstanding the assurance here given no measure of relief has yet been carried out.

The subjoined statements shews the actual charges incurred on account of the Police from the first introduction of the arrangements up to the present date.

1868-69	———	Rupees.	4862-11-2 (From December 68)
1869-70	———	"	16894-13-3
1870-71	———	"	17480-9-8
1871-72	———	"	16896-6-4
1872-73	———	"	19513-12-11
1873-74	———	"	20204-5-2
1874-75	———	"	20310-4-10
1875-76	———	"	20605-11-4

The total expenditure under this head amounted to ~~Rs~~ 8970-11-6 in which however is included a sum of ~~Rs~~ 640/- being the cost of 8 New Conservancy carts while as a set off allowance must be made for a sum of Rs 992-12-- realized by the sale of Manure collected at the several refuse depôts

Conservancy Establishment as well as increased rates of pay are now urgently necessary and will be duly considered when next years Budget is being prepared.

The Expenditure for lighting amounted to ~~Rs~~ 2036-15-2 in which is included a sum of ~~Rs~~ 178-8-, the cost of 81 New Lanterns notwithstanding that there has been a considerable increase to the number of Lamps of late years, there can be no doubt that the Town is still very insufficiently lighted and that a further and very considerable increase is required I may add that want of Funds alone prevents this very desirable measure being carried out.

Appendix R Exhibits the operations of the vaccine Department during the year and shews that 601 operations were performed of which number 572 are returned

as

as having proved successful. Provision has been made in the present years Budgets for the employment of an additional vaccinator (hitherto there has been only one) and it is hoped that the operations of the Department will be thus greatly extended.

The expenditure shown under this head amounted to Rs 8730-10-11, the principal item being a sum of Rs 4000/- paid to Government in liquidation of a loan contracted in the previous year for the improvements of the Peke Mawa Drain, the remaining charges were incurred in the Registration of vital statistics, Cattle Pound expenses, and other items of minor importance.

The health of the Town has been generally good the Returns give the number of Deaths as 1254 against 1385 in the previous

previous year and 1373 Births against 1654; the Deaths are thus shewn to have been in the ratio of 20·650 per 1000 of population, there seems reason however to doubt how far these returns can be relied on. Cholera made its appearance in the Town early in September and cases continued to occur during that and the succeeding 3 months, at no time however can the desease be said to have assumed an epidemic form as during the entire period it prevailed there were only 24 cases in all with 15 deaths, a portion of the Longitana was converted into a Cholera Hospital and to this all such patients as could not be conveniently treated in their own houses were removed, due precautions were likewise taken for cleansing and disinfecting the Houses of all affected with the desease.

My best thanks are due to

Mr Garwood Cleary

Municipal and to the Divisional Commissioners for their regular attendances at the ordinary Monthly Meetings and for the assistance they have afforded me in disposing of the numerous petitions, building applications &c submitted to me during the period under report.

Mr Swamy Doss Pillay Assessor of Municipal Taxes and manager of my office has ably and efficiently conducted the duties of these departments
